

A warm welcome to Zinzi dining

We have prepared a wonderful selection of dishes inspired from those we have loved from around the world.

Each has been designed to be enjoyed with all of its accompanying sauces, drizzles and treats
so please dab, dunk and enjoy!

Our small dishes are a touch smaller than starter portions, offering an abundance of flavours & tastes.

We have added a few little 'while you wait' nibbles below with a glass of wine or bubbly for you
to enjoy while deciding on your choices for the meal to come.

Lovely having you with us.
